

# Volunteer Sign-Up Fee

We will be charging a \$50.00 volunteer fee this year. Your \$50.00 will be returned to you at the end of the season when you have met your volunteer obligations and **returned your equipment and/or uniforms on time and clean**. You are required to work 1 home game this season per each child you have enrolled in the football or cheer program.

The Fowlerville Recreation Football and Cheerleading Programs are run by volunteers. Each home game requires volunteers to enable the program to run smoothly. When we receive our home schedule, your team Mom and/or Coach will contact you with a list of assignments for home games, which will include concessions, gate, 50/50, and chains.

If you work concessions we encourage you to work the game before or after your child's game. Chains and 50/50 can be done during your child's game. All duties will require you sign in at the concession stand (so we can track that you have met your volunteer duties).

For job descriptions, please see the attached form. If you have any question or need further explanation, please call Cheryl Dixon or Jill Curd at (517)223-6477.
