Hello! My name is Karen Hunt and I have been teaching at Fowlerville Schools since 1998. This has given me the pleasure of teaching some of the children of my former third grade students! For the past 17 years I have been in Kindergarten and absolutely love watching the students blossom and grow in their learning! I have a bachelor's degree in Elementary/Early Childhood Education from Evangel University, as well as a master's degree in Reading from Western Michigan University. I am married to my husband Steve and we have three sons, currently in high school and college, and one goldendoodle named Leah.

Hello! My name is Mrs. Lance and this will be my third year teaching Kindergarten. I love my job and how rewarding it is to watch the children grown so much in their first year of elementary school. I graduated with my bachelor's degree at Grand Canyon University. I live in Byron with my husband, our daughter Alexis who will be in fourth grade, our two dogs and cat. Our family spends most free time outdoors. We enjoy traveling often, whether it's a camping trip up north or a sandy beach down in Mexico.
