Re: Fi

Financial Request from the Terminated Community Recreation Agreement

Dear Mr. Stuard:

Your letter of request for back funding on the terminated Community Recreation Agreement dated May 13, 2025, has been submitted to the Township Board on June 16, 2025, at their regular meeting. The Township Attorney reviewed the Agreement and advised the Board that the Township was improperly invoiced due to the fact that termination process was carried out as indicated by the Agreement.

Because of the longstanding cooperation in funding the community recreation program, the Township Board voted to generously contribute to your budget shortfall in the amount of \$10,000.00. Please accept this as payment in full towards the May 13, 2025 invoice.

Please be advised that the Township Board voted to enter into a 1 year Agreement with the School District for funding towards the recreation program in the amount of \$40,000.00. Those funds will be disbursed upon receipt of a completely signed agreement by all parties and the required documentation as outlined in the Agreement.

Thank You.

Laura A. Eisele

Handy Township Clerk

### CONTRACT OF EMPLOYMENT

Chief Financial Officer

The Board of Education ("Board") of Fowlerville Community Schools ("District") and Marc McKay ("Employee"), pursuant to Section 1229(2) of the Revised School Code of the State of Michigan, by Board action at a meeting held on August 19, 2025 employs Marc McKay as Chief Financial Officer for a two (2) year period commencing on September 2, 2025, and ending on June 30, 2027, according to the following:

- 1. Employee shall perform the duties of Chief Financial Officer as prescribed by Board and as may be established and/or amended by Board, the Revised School Code, and under the supervision and direction of the Superintendent. Employee accepts the ultimate authority and direction of Board and Superintendent with respect to his responsibilities.
- 2. Employee is subject to assignment and transfer to another position of employment at the discretion of Board or its Superintendent. If Employee is transferred or reassigned, his salary shall be adjusted to reflect the new position.
- 3. Employee represents that he possesses and will maintain all certificates, credentials, and qualifications required by law, including the provisions of Sections 1246 and 1536 of the Revised School Code, including the regulations of the Michigan Department of Education, and those required by Board to serve in the position assigned. Employee agrees, as a condition of his continued employment, to meet all continuing education requirements required by law, regulation or the Michigan Department of Education. If Employee fails to maintain all certificates, credentials, continuing education requirements and/or qualifications required, this Contract shall automatically terminate and Board shall have no further obligations.
- 4. Employee agrees to devote his talents, skills, efforts and abilities toward competently, professionally and proficiently fulfilling all duties and responsibilities of the position. Employee agrees to faithfully perform duties assigned by Board and Superintendent and to comply with the directives of Board and Superintendent. Further, Employee agrees to comply with and fulfill all responsibilities and tasks required by state and federal law and regulations, and by Board and Superintendent to carry out the educational programs and District policies. Further, Employee agrees to devote substantially all of his business time, attention and services to the diligent, faithful and competent discharge of his duties on behalf of District to enhance the operation of District and agrees to use his best efforts to maintain and improve the quality of the programs and services of District. Employee will not perform professional services outside his administrative duties, or perform work for any other employer or entity without the preapproval of Board.
- 5. Employee shall be paid an annual salary in accordance with the applicable salary schedule, in consideration of his performance of the duties and responsibilities of the position. The annual salary shall be paid in up to twenty-six (26) biweekly installments beginning with the commencement of the fiscal/contract year (July 1 through June 30). Biweekly payment shall not begin until Employee begins work for the fiscal/contract year. This sum shall be prorated based upon actual time worked if Employee does not work the full fiscal/contract year.

- a. Should Employee be assigned or transferred to another position, the salary shall be as established by Board for that position. Upon separation or unpaid leave of absence of Employee during any fiscal/contract year, his salary shall be adjusted to reflect payment, on a per diem basis, for the number of days on which services were actually and physically rendered during the contract year. Any amounts due Employee upon separation or commencement of unpaid leave shall be remitted by Board to him as soon as such amounts can diligently be determined. Any salary amounts received by Employee in excess of days actually worked during the fiscal/contract year shall be deducted from Employee's remaining wages and Employee, by executing this Contract, gives his written consent for such deduction. Any wage overpayments not recoverable by Board through wage deduction shall be remitted to Board by Employee within three (3) business days of separation from employment. If not paid in this manner, Employee agrees that judgment may be entered against him in any Michigan court of competent jurisdiction for such amount(s).
- b. Board retains the right to adjust the annual salary of the Employee during the second year of this Contract. Any such salary adjustment shall not reduce the annual salary below the minimum annual salary unless Employee has been transferred or assigned a position at a lower salary rate. Any adjustment in salary made during this Contract shall be in the form of a written amendment and when executed by Employee and Board, shall become a part of this Contract.
- c. The Employee will receive the following compensation, to be included in his regular compensation, for additional college degrees or hours/credit earned beyond a Master's Degree toward a planned or approved program pertaining to K-12 Administration as determined by the Superintendent and completed by July 1: Ed. Specialist or Doctorate; \$2,500.00.
- 6. Employee is employed on the basis of two hundred and sixty (260) workdays per fiscal year (July 1 through June 30), as scheduled by Board, and generally works eight (8) hours per day but is expected to work additional hours as required for his position. If Employee fails to work a full contract/fiscal year, his salary will be subject to proration.
- 7. Employee's performance shall be evaluated by the Superintendent or designee annually and presented to Employee in writing no later than June 30 in any given school year. As such evaluations are to be based in part on goals and objectives, said goals and objectives will be presented to the Employee in writing prior to the year of evaluation.
- 8. Twelve (12) sick leave days per year will be granted (one per month worked-preloaded), up to 90 days. In addition, three (3) personal business leave days per year will be granted. Sick

leave and personal business leave will be given on July 1 of each calendar year. Unused personal business days will be transferred to sick leave days at the end of each contract year.

Employee shall receive twenty-five (25) days of vacation per fiscal year for the duration of this Contract. Vacation days must be used within the fiscal year for which they are made available. Employee shall schedule use of vacation days in a manner to minimize interference with the orderly operation and conduct of business of the District. All scheduling of vacation is subject to the approval of the Superintendent.

While vacation days are intended to be used within the Contract year for which they are made available a maximum of ten (10) vacation days may be carried over for not to exceed one (1) year from the fiscal year for which they are made available to the employee. No payment shall be made for unused vacation days upon termination of this contract.

- 9. Bereavement Leave of absence with pay will be granted for each day necessarily lost from work for the following reasons and not be charged against sick leave: (a) Death of a spouse, sibling(s), parent(s), step-parents, guardian(s), children, step-children, or ward(s) not to exceed five (5) days. Two (2) days per year may be used per death of an employee's grandparents, mother-in-law, father-in-law, grandchild, niece, nephew, aunt, uncle, brother-in-law, or sister-in-law.
- 10. Board shall be entitled to terminate Employee's employment at any time during the term of this Contract for acts of moral turpitude, misconduct, dishonesty, fraud, insubordination, incompetency, inefficiency, conviction or commission of a felony or misdemeanor, if Employee materially breaches the terms and conditions of the Agreement, or other reasons that are not arbitrary or capricious as determined by Board. If Board acts to dismiss Employee during this Contract, he shall be entitled to written notice of charges and an opportunity for a hearing before Board. Employee may be represented by legal counsel, at his expense, at the Board hearing. If Board acts to discharge Employee, this Contract shall automatically terminate and Board shall have no further obligation.
- 11. This Contract may be non-renewed pursuant to Section 1229(2) of the Revised School Code.
- 12. This Contract may be terminated or transferred during its term pursuant to a reduction in personnel, as determined by Board. Employee shall be given at least fourteen (14) calendar days' notice of termination prior to the effective date of layoff or transfer. In the event of layoff, Board shall have no further obligation under this Contract.
- 13. Prior to resumption of duty after an unpaid leave of absence for a serious health condition, Employee shall provide to Board a fitness for duty certification from Employee's health care provider. A second opinion may be required by Board, at its expense, unless the securing of the second opinion in this context is precluded by the Family and Medical Leave Act.
- 14. Employee shall be eligible for family medical leave per Board policy and the Family and Medical Leave Act. Applicable paid leave shall be concurrent with the Family and Medical Leave Act.

- 15. Employee shall submit to such medical examinations, supply such information and execute such documents as may be required by any underwriter, policyholder or third-party Employee providing insurance programs specified under this Contract. Additionally, upon request of Board or Superintendent, Employee shall authorize the release of medical information necessary to determine if Employee is capable of performing the essential job functions required by his assignment, with or without job accommodation. Any physical or mental examination or disclosure of such information required of Employee by Board shall be job related and consistent with business necessity. Any medical or psychological examination under this section shall be at Board's expense. Any information obtained from medical or psychological examinations or inquiries shall be considered and treated as confidential.
- 16. Employee agrees that he shall not be deemed to be granted continuing tenure in the position of initially assigned or to which he may be assigned or transferred or in any capacity other than that of a classroom teacher, should the probationary period required for tenure as a teacher be fulfilled, by virtue of this Contract or any employment assignment (requiring certification) with the District. Nor shall the decision of Board not to continue or renew the employment of Employee for any subsequent period in any capacity, other than as a classroom teacher, as may be required by the Teachers' Tenure Act, be deemed a breach of this Contract or a discharge or demotion within the provisions of the Michigan Teachers' Tenure Act. Employee shall be deemed to have been granted continuing tenure as an active classroom teacher in accordance with the provisions of the Michigan Teacher Tenure Act.
- 17. Upon proper application and acceptance for enrollment by the appropriate insurance underwriter, policyholder and/or third-party administrator, Board shall make premium payments on behalf of Employee and his eligible dependents for enrollment in the following insurance programs:
  - a. Medical health care plan
  - b. Dental insurance
  - c. Vision insurance
  - d. Life insurance
  - d. Long-term disability insurance
- 18. Employee agrees that Board has the right to allocate to Employee responsibility for a portion of the premium for the insurance coverages, as may be determined by the Board and in its discretion. This contribution shall not be less than the amount determined by Board to be necessary to comply with the Publicly Funded Health Insurance Contribution Act, 2011 PA 152. Board will notify Employee of the insurance costs including taxes, assessments and copayments or which he is responsible in excess of Board paid premium contributions, subject to payroll deduction.
- 19. Alternatively, Employee may elect to take a cash-in-lieu of medical insurance benefits in an annual amount of three thousand and six hundred dollars (\$3600) on a per month basis (12

substantially equal installments) on the conditions that Employee: (1) voluntarily and in writing opts out of the available medical health care benefit plan; and (2) provides documentation to the District's Business Office that Employee has other medical health care coverage that meets the minimum value and coverage requirements of the Affordable Care Act.

- 20. Board reserves the right to change the identity of the insurance carrier, policyholder or third-party administrator for any of the above coverages, as determined and maintained by Board during this Contract. Board reserves the right to self-fund any of the above benefits. Additionally, Board shall not be required to remit premiums for any insurance coverages for Employee and his eligible dependents if enrollment or coverage is denied by the insurance underwriter, policyholder or third-party administrator. The terms of any contract or policy issued by any insurance company of third-party administrator shall be controlling as to all matters concerning benefits, eligibility, coverage, termination of coverage, and other related matters. Employee is responsible for assuring completion of all forms and documents needed to receive the insurance coverage. District, by payment of the premium payments required to provide insurance coverage, shall be relieved from all liability with respect to insurance benefits.
- 21. Employee is entitled to twelve (12) holidays for which no service to the District is required. Holidays are consistent with the District's calendar. Employee is entitled to the following holidays: 4th of July, Labor Day, Wednesday before Thanksgiving, Thanksgiving and the day after Thanksgiving, December 24, 25 and 31, January 1, Presidents day (if no students and teachers), Good Friday, and Memorial Day. Holidays falling on non-workdays will be honored on the closest workday before or after that holiday as dictated by the District's calendar.
- 22. Employee shall be eligible to be reimbursed for travel, meals and lodging in accordance with per diem expense and reimbursement procedures established by the Board. Any expenses to be incurred by Employee for out-of-district travel shall be submitted in advance for review and approval by Board or its designee. Employee shall be required to present an itemized account of reasonable and necessary expenses in accordance with direction of Board or its designee.
- 23. Subject to express approval by Board, the fees or dues for membership in appropriate professional organizations shall be paid by Board. Subject to prior approval by Board, Employee may attend appropriate professional meetings at the local, state and national levels and shall be reimbursed for any registration fees, tuition, travel, lodging and/or reasonable meal expenses for himself in relation thereto not prepaid by Board.
- 24. Subject to express approval by Board, Board shall reimburse Employee's tuition expenses not to exceed six (6) semester hours of academic credit per contract year, with a \$2,600 expense limit. These hours must be successfully completed. These activities must be pertinent to his professional responsibilities to District.
- 25. If a dispute arises between the parties relating to discharge of Employee during this Contract, the parties agree to submit such to binding arbitration. Selection of the arbitrator and the arbitration proceedings shall be conducted under the National Rules for the Resolution of Employment Disputes of, and administered by, the American Arbitration Association. Arbitration under this provision shall be conducted pursuant to the terms of the Michigan Arbitration Act, MCL 691.1681 *et seq.* and MCR 3.602. The parties intend that this dispute resolution shall be inclusive of all contract and statutory claims advanced by Employee arising

from Employee's discharge during this Contract, including (but not limited to) claims of unlawful discrimination and all claims for damages or other relief. However, this agreement to arbitrate does not restrict Employee from filing a claim or charge with any state or federal agency (such as the Equal Employment Opportunity Commission or the Michigan Department of Civil Rights), and does not apply to any claims for unemployment compensation or workers' compensation which may be brought by Employee. This agreement to arbitrate claims applies to those matters which would otherwise be subject to state or federal court proceedings. Employee acknowledges he is waiving his right to adjudicate discrimination claims in a judicial forum and is instead opting to arbitrate those claims. In any such arbitration proceeding, Employee shall have the right to representation by counsel of his choice, the right to appointment of a neutral arbitrator, the right to reasonable discovery and the right to a fair hearing. However, Employee, through this agreement to arbitrate such claims, does not waive any statutory rights or remedies in the context of such arbitration proceedings.

- 26. The arbitrator's fee and the costs imposed by the American Arbitration Association shall be shared equally by Board and Employee, subject to the right of Employee to seek to tax such fees as costs against Board. Any claim for arbitration under this provision must be filed with the American Arbitration Association, in writing, and served on Board within one hundred eighty (180) days of the effective date of Employee's discharge during the term of this Contract and to enforce award.
- 27. Employee agrees that any claim or suit arising out of Employee's employment with Board must be filed no more than 180 days after the date of the employment action that is the subject of the claim or suit. Employee understands that the statute of limitations for claims arising out of an employment action may be longer than 180 days, but agrees to be bound by the 180 day period of limitation set forth herein and waives any statute of limitations to the contrary. Should a court of competent jurisdiction determine that this provision allows an unreasonably short period of time to commence a law suit, it is the intent of the parties that the court enforce this provision to the extent possible and declare the law suit barred unless it was brought within the minimum reasonable time within which the suit should have been commenced.
- 28. This Contract contains the entire agreement and understanding between the Board and Employee with respect to the employment of Employee and no prior or concurrent representations, promises, contracts or understandings, written or oral, not contained herein shall be of any force or effect. All prior contracts or other agreements (written or oral) pertaining to the terms of this Contract are canceled and are superseded by the terms of this Contract. Provided, that this Contract is voidable pursuant to the provisions of the Revised School Code, pertaining to criminal records and criminal history checks. No amendment to or modification of this Contract shall be valid or binding unless it is in writing and signed by Employee and Board. No valid waiver of any provision of this Contract, at any time, shall be deemed a waiver of any other provision of this Contract at such time or at any other time.
- 29. If any provision of this agreement becomes or is declared by a court of competent jurisdiction to be illegal, unenforceable or void, this agreement shall continue in full force and effect without said provisions; provided, however, that no such severability shall be effective if it materially changes the economic benefit of this agreement to any party.

This agreement is executed on behalf of the District pursuant to the authority granted

under the laws of the State of Michigan.

To Whom it May Concern:

All of the products used to assemble the Smart Mouth® Pizza menu items meet the attached nutritional analysis when the recipe guidelines are followed based on the best practices as set forth in our training and manuals.

Attached you will find the nutrition labels for each variety of Smart Mouth® pizza. These nutritionals are based on recipes found in our operations manual and taught during training.

If products other than those provided by Smart Mouth are used in the making of the pizzas this nutrition data will be inaccurate.

There are different recipes for High School(HS) and Middles Schools (MS) due to the varying guidelines set forth by the USDA.

Sincerely,

Tom Willingham Chief Smart Mouth

#### **Initial Training Overview**

<u>Day 1</u> - Testing the equipment, setting up the marketing, and preparing the dough for Day 2. We do not serve the students the first day. We will usually bake a few pizzas for staff if they wish. (8 hours)

<u>Day 2</u> - First day of serving to the students. The trainer typically does the heavy lifting, with the staff "touching the process" and asking lots of questions. (8 hours)

<u>Day 3</u> - The staff takes control, and the trainer is there in a supportive/coaching role. (8 hours)

Total of twenty-four hours spent at each school during initial training.

\*Before initial training day we have an online training program to prepare you for what is to come, this will also help the training days run more smoothly. This program is through an app called 1HUDDLE and we encourage your whole team to finish this course to receive a free Smart Mouth t-shirt. Once awarded we will send your manager and director email explaining the next steps for this\*

#### **Ordering Process**

We will call for you initial order to prepare you for what you will receive prior to your training date. Once you go live, we schedule a weekly call day and time based on when the distributor delivers to your area. One of our customer service representatives will be assigned to your school and will be responsible for contacting the cafeteria manager for their weekly order. A reminder email is sent out the day prior to call day to allow the cafeteria staff to collect inventory that is on hand. On call day, the customer service rep will take the information and enter into software that calculates what is needed based on those numbers provided and daily average of pizzas sold. An order will be generated and scheduled for delivery the following day. Distributors may require a minimum of 20-25 cases for delivery. If the order does not meet minimum, a two week order can be placed. Order Minimums may also be 30 cases it depends on which vendor you're assigned based on your location.

#### Resolution

NOW, THEREFORE, BE IT RESOLVED by the Board of Education of Fowlerville Community Schools as follows:

- 1. Acknowledgment of Obligation. The Board finds and declares that, under the Agreement, the Municipalities are obligated to pay all amounts invoiced by the District for the period July 1, 2024 through June 30, 2025, and that such obligation survives any termination of or withdrawal from the Agreement pursuant to Section 4(c).
- 2. Demand for Payment; 40-Day Deadline. The Board directs the Superintendent or designee to transmit written Notices of Unpaid Invoices to each Municipality, including an itemized statement of amounts due and a requirement that payment in full be received within forty (40) days of the date of the notice.
- 3. Consideration of Participant Rate Adjustments if Not Paid. If any Municipality fails to remit payment in full within the 40-day period, the Board will consider the adoption of rate increases or surcharges applicable to program participants who reside within that Municipality with unpaid invoices, to remain in effect until such Municipality's unpaid costs are paid in full. Any such action will be taken only to the extent permitted by law, District policy, and the Agreement, and following any required public notice and Board action.
- 4. Authority to Pursue Additional Remedies. The Board authorizes the Superintendent, in consultation with legal counsel and the District's finance office, to take all additional steps reasonably necessary to collect the unpaid amounts, including but not limited to: establishing Board-approved payment plans, applying lawful late charges/interest if applicable, and pursuing any other remedies available at law or in equity. Nothing in this Resolution waives any right or remedy of the District.
- 5. No Waiver; Preservation of Rights. The District's acceptance of any partial payment, payment plan, or temporary accommodation shall not constitute a waiver of the District's right to collect all sums due, nor shall it modify the terms of the Agreement absent express Board approval.
- 6. Severability. If any provision of this Resolution is determined to be invalid or unenforceable, the remainder shall continue in full force and effect.
- 7. Effective Date. This Resolution is effective immediately upon adoption.
