B. Direct Deposit:

Employees must properly execute and submit to payroll via online portal an authorization for payroll deposits. The Board agrees to deposit the specified sum(s) into one or two designated banking institutions.

ARTICLE V

SENIORITY

- A. Seniority shall become effective after completion of the probationary period and shall date from the first day of work as a regular Employee. A new Employee shall be regarded as probationary for the first sixty (60) actual days of work of his/her employment as a regular Employee.
- B. When two Employees are hired on the same date the Employee with the greater amount of school Bus Driver driving time on regular runs/routes for the district shall have the higher seniority. For the purposes of this determination only the previous twelve (12) months will be used to establish the amount of driving time. The parties shall mutually agree on the amount of driving time prior to the assignment of seniority. Seniority determinations made using this method of calculation (defined above) shall not be subject to the grievance procedure defined in Article XVIII beyond step one (1).
- C. The district will maintain two seniority lists. One for regular drivers and one for standby drivers. When a standby driver transfers into a regular run they start at the bottom of the regular driver seniority list and receive a new seniority date effective the day they begin the regular run. If a regular driver chooses to move to a standby driver position, they will lose seniority on the regular driver list and be placed at the bottom of the standby driver list with a newly established seniority date.
- D. No Employee who has completed the probationary period shall be disciplined, reprimanded or discharged without just cause. Probationary Employees are employed "at will" and may be disciplined or terminated at the discretion of the Employer. The termination of a probationary Employee shall not be subject to arbitration.
- E. Seniority is lost by resignation or discharge of the Employee.
- F. Seniority shall accrue based on years of continuous employment on each list (Regular Driver or Standby Driver).
- G. Time on lay off or approved medical/FMLA or workers compensation shall not constitute a break of continuous employment and shall continue to accrue seniority. Time spent on other unpaid

leave greater than fifteen (15) consecutive workdays shall not count towards seniority.

- H. There shall be two seniority lists for Employees (Regular Driver and Standby Driver). The lists shall be prepared by the Employer and available to the respective Employees by December 1st of each year. The Employee then has twenty (20) workdays to challenge his/her placement on the list. If no challenge is made within this timeline, the list shall be deemed correct.

ARTICLE VI

FILLING VACANCIES

- A. Annual Initial Bid Meeting: Prior to the beginning of each school year all run/routes shall be open for bidding. Prior to the conclusion of each school year each Employee shall be notified of the August bid meeting date. On the day prior to the scheduled bid meeting date, all runs/routes shall be available for viewing at the transportation office by the Employees. On the bid meeting day, each Employee shall select, in the order of seniority, with the greatest seniority having the first opportunity to bid their assignment for the ensuing year. Employees shall not select runs that are scheduled on a daily basis, which exceed eight (8) hours per day without the permission of the Supervisor. The least senior driver(s) shall not bid on only a secondary run or an elementary run if it causes the district to hire another driver. Any Employee who is unable to attend the bid meeting shall be responsible for giving to the Association representative, his/her proxy bid which shall include his/her first three (3) choices. If none of his/her proxy choices are available, or if no proxy has been received, then the Employee shall be assigned a run/route as close as possible to their prior year's assignment by the Supervisor. Employees shall be limited to thirty (30) minutes for their selection of their run/route. If the Employee does not make his/her selection within the allotted time allowed, then the Supervisor will assign their run/route for the year. Those present at the bid meeting shall be paid according to Transportation Wage Schedule A for their participation in the bid process. Regular run/route drivers bid first on all regular run/routes. Standby drivers bid next on all remaining regular run/routes. Once all regular run/routes have been filled, any remaining drivers will be assigned standby driver positions.
- B. Filling vacancies during the school year.
1. Employees who are granted a short-term leave of absence of up to ninety (90) calendar days shall have their runs/routes filled by a standby driver or substitute driver. If an unusual circumstance occurs, the timeline may be extended. The parties must mutually agree to extend the timeline. This will not require the run/route to be bid. If the timeline is not extended by mutual Agreement, the run/route will be bid after the 90th calendar day of the leave of absence.
 2. If an Employee has a previously scheduled appointment, this shall not interrupt his/her right to continue on the same run/route. Once awarded a temporary run/route, that driver will not be eligible to fill another until he/she has completed that temporary run/route. After completing the first temporary run/route, the driver may bump a lower seniority driver from another temporary run/route if that temporary assignment has at least ten (10) workdays remaining.
 3. When a regularly scheduled run/route becomes vacant, a newly established run/route is created during the school year, or a driver is granted a long-term leave of absence of over ninety (90) calendar days, a bid meeting will be held to fill the vacancies, subject to the conditions below.

- a. Employees will be given at least five workdays' notice of a bid meeting to fill the vacancy and any subsequent vacancies which may arise at the bid meeting. There will be no five (5) workday notice given for the subsequent vacancies that arise in the meeting: they will be filled in the same meeting as the original vacancy.
 - b. The Association Representative or designee may bid for a driver who is unable to attend due to illness, emergency, or other extenuating circumstances. The absent Employee shall provide a written proxy form to the Director of Transportation and Association Representative listing the Employee's three choices. If none of his/her three choices are available, the Employee will stay at his/her current position.
 - c. Attendance at the bid meeting is voluntary and as such, no compensation will be issued.
 - d. Runs/routes will be awarded to the most senior regular driver that bids on the run/route. If no regular driver bids then the run is assigned to a standby driver.
 - e. All changes in runs/routes will be implemented as soon as possible, but no later than three (3) workdays after the bid meeting.
 - f. The driver who accepts a vacancy during the school year will be ineligible to accept another vacancy for the remainder of the year.
 - g. Drivers awarded a temporary run/route will not be eligible to fill another until they have completed that run/route. Upon return from a leave, the returning Employee shall assume his/her previously bid run/route unless there has been a seniority adjustment. All other Employees shall return to their prior run/route.
 - h. An Employee who is on a leave of absence exceeding ninety (90) workdays at the beginning of the school year, shall first bid his/her run/route, then Section B of this Article shall be implemented.
 - i. Employees who are on leave at the conclusion of a school year and wish to participate in the bid meeting at the start of the next school year must provide Human Resources with written notice that they are cleared to perform all duties, without restrictions, seven (7) weekdays prior to Bid Day. Clearance is required from the Department of Transportation (DOT) doctor, or personal physician if DOT clearance is not required. Extensions may be granted if mutually agreed upon between both parties. A description of the run/routes, approximate mileage, and approximate completion time will be provided at the bid meeting.
4. Whenever a driver accepts a temporary run/route due to a regular driver's leave of absence of over ninety (90) days, the driver who accepts the temporary run/route must stay on that run/route for the duration of the temporary run/route. This individual may not bid on another temporary run/route until their current temporary run/route expires. If she/he goes on medical or emergency leave during the placement, she/he would resume that placement upon her/his return.
- C. It is in the best interest of the students that the driver be the same for the AM and PM portions of a route and that every effort will be made to ensure that this happens. Therefore:
1. When a substitute driver is needed, the route, both the AM and PM, will

first be offered to Association drivers. If an Association driver is available and wishes the assignment, it will be awarded to the most senior driver. It is clear that the driver must be available to drive both the AM and PM portions of the route.

2. If no Association driver is available to substitute on the route, both AM and PM, as outlined above, an Association driver will be able to take the AM or PM portion of the route in order of seniority, and the other portion shall be awarded to a substitute driver.

D. Test Run: Each Employee is required by the Transportation Supervisor to perform one "test run" of his/her selected run/route prior to the beginning of the school year in order to determine the approximate time of the run/route. This test run is to be paid at the driver's regular rate of pay. In the event that changes are made to the route after initial test run, an additional test run may be conducted with prior approval from the Transportation Supervisor.

- a. Route Decrease or Elimination: An Employee whose run/route has been eliminated or downgraded by thirty (30) minutes or more shall be allowed to bump any driver with less seniority in order to maintain his/her driving time.
- b. Route Time Increase: An Employee whose run/route has increased by thirty (30) minutes or more shall be open to bid by seniority to more senior drivers.
- c. Standby Time: Employees shall remain on duty if there is less than forty-five (45) minutes between segments of their daily run/routes.

E. Removal From a Run/Route: Specific drivers may be administratively prohibited from selecting, or removed, from a specific run/route where the driver has a record on that route of inordinate problems with parents or students. The Association President will be consulted regarding the move and its benefits to the school and the driver.

ARTICLE VII

EXTRA TRIP BIDS

EXTRA TRIP POLICY

These guidelines are intended to make all trips equally available to all regular drivers.

A. The opportunity to drive extra trips must first be offered to regular drivers, per the following policy on a rotational seniority basis beginning with the highest seniority driver. Transportation Employees, for the first eight (8) days of school only, may bid on extra duty trips only if they are available to drive them without being replaced on their regular run. The Transportation Supervisor, at his/her discretion, may allow the extra trips to be bid, which will be done in accordance with the Master Agreement. Employees will not be permitted to take a trip which requires them to be absent from their regularly scheduled student runs. The Employer may waive this option if necessary. Any unfilled trip will then be offered to standby drivers using the same process.

B. Two (2) roster(s) will be maintained by the bus Supervisor for administration of this policy:

1. Monday "M"
2. Emergency "E"

The roster(s) for extra trips for all regular drivers will be arranged in seniority order. Employees wishing to drive extra trips must sign the roster when posted to be eligible. The field trip roster shall be posted at the annual bid meeting and shall remain posted until the start of the school year for Bus Drivers to sign and indicate their intent to drive extra trips. New Employees have five (5) working days to sign the rosters.

- C. It may be necessary to request a regular driver to take off a regular run for an extra trip.
- D. If taking a trip requires a driver to miss his/her regular run(s) the driver will be paid his/her regular hourly wage for missed run/hourly time and the field trip rate for the remainder of the trip.
- E. As far as practical, extra trips will be assigned each Monday for the following week. To be eligible for any extra trips during that week, drivers must be present, without pay, except in cases of illness or emergency. Any Extenuating circumstances will require approval from the Director of Human Resources. At the Monday meeting when such extra trips are offered, drivers who are absent from the Monday extra trips meeting must notify the Supervisor prior to 8:00 a.m. that they will be available for trip assignments occurring that week. Eligible absent drivers shall be identified by the Supervisor at the beginning of the meeting.
- F. A driver refusing an extra trip will not be eligible for another extra trip until his/her name is reached in sequence on the extra trip roster. When a senior driver refuses an extra trip, the driver whose name appears next down on the seniority roster who is present will be offered the extra trip, and so on until a driver accepts the trip. When the last name on the seniority list has been reached, rotation will again begin at the top of the list.
- G. A driver who accepts an extra trip and then turns in the extra trip four (4) times within a school year for any reason, shall be dropped from all extra trip roster(s) for the remainder of the school year.
- H. Show Up/Cancellation Pay: Drivers assigned an extra trip which is cancelled after the arrival of the driver at the Bus Garage will be paid for one (1) hour, and if the extra trip is on Saturday the driver will be paid for two (2) hours.
- I. If a trip with an assigned driver is cancelled, the driver shall become eligible for;
 - (i) If an "E" trip, the driver shall become eligible for the next trip available on the "E" roster.
 - (ii) If an "M" trip, the driver shall become eligible for the first selection at the next Monday morning "M" roster meeting.
- J. Summer Trips: All known summer trips will be bid at a meeting (summer bid meeting) to be held on the last Monday prior to the last day of school. Any extra trips that become available after the summer bid meeting shall be made available to all driver personnel on a rotational seniority basis. Regular Drivers will be notified by phone of available trips on Monday morning between 8 a.m. and 9 a.m. for that week. Each driver shall notify the transportation office of a phone number where he/she can be reached. A separate roster shall be posted for five (5) workdays for signing prior to the end of the work year by drivers interested in driving summer field trips. Any unfilled trips will then be offered to standby drivers using the same process.

K. Roster Corrections:

1. Drivers who are inadvertently missed on bid day on the "M" roster shall notify the Employer before the end of the workday that the bidding took place, or in the event that the Employee is working during that day or on an Employer approved leave day, he/she must notify the Employer by the end of the next morning's runs. The Employer will redo the bid process.
2. In the event an Employee is skipped the Employee shall be permitted to accept the next available trip (not in the same time slot).
3. During the work week, if an Employee is inadvertently missed on the "M" roster when a trip comes in after bids have taken place, that Employee has to notify the Employer as soon as he/she becomes aware of the error. If time allows (more than 18 hours) the missed Employee shall be awarded the trip or if less than 18 hours' notice he/she will get the next available trip.

L. Emergency Assignment: The Supervisor of Transportation will exercise exclusive discretion in driver selection when an emergency condition occurs in any situation of driver need - inclusive of his/her driving the vehicle.

M. Admission Fees: The Board shall provide admission fees for any driver during a trip for which he/she is charged.

N. Sponsors: One sponsor will be provided for each trip and will sit in the back of the bus. If 40 or more students ride the bus a second sponsor will be provided and will sit in the middle of the bus.

O. Splitting Extra Trips: The Transportation Director, only when there are insufficient drivers to cover trips, may split trips using mechanics, dispatcher, or other certified personnel to drive half of the trip, either to or from the event.

P. Extra Trip Pay: Drivers who have an assigned extra trip on Friday, Saturday or Sunday, will at the conclusion of the trip, leave their completed trip sheet at the designated location in the bus garage by Monday before 7:30am in order to be paid on the next scheduled pay period.

ARTICLE VIII

Extenuating circumstances may be considered to extend the forty-five (45) day window if mutually agreed upon by the Board and the Association.

B. Overtime: Employees in the bargaining unit who actually work in excess of forty (40) hours in any week and for any work actually performed on Saturday in excess of four (4) hours, shall be compensated for those additional hours at one and one-half (1½) times the Employee's regular

- F. The rate of pay will be computed in the following manner: the hourly rate is multiplied by the number of hours worked in a given day. This number is then multiplied by the number of remaining workdays starting with the beginning of the third pay period and divided by the number of remaining pay periods out of 24.
- G. During the first two (2) pay periods, drivers will be paid actual hours for runs/routes as assigned. In the event regular runs/routes which are normally scheduled are either not scheduled for a few days or are cancelled during the first two (2) pay periods, they will be paid as if actually driven, provided the driver is not absent without pay. Beginning with the third payroll of the year, a standard time, based on actual time of normally scheduled runs during the first two (2) payrolls, will be established for each route; and that time will be paid at the hourly rate for normally scheduled runs driven per pay period for the balance of the year. Changes in standard time for routes must be approved by the Transportation Supervisor, and will then be paid from that time forward. Bus Drivers shall receive a copy of any timesheets required by the payroll office.
- H. In the event a driver receives unemployment compensation for days when school is closed, the driver's compensation per hour per year will be adjusted such that the total of unemployment and annual compensation shall be equal to the compensation per hour per year had the driver not received unemployment compensation.
- I. All Regular Bus Drivers shall be guaranteed a minimum payment not less than one and one-half (1½) work hours per day, which includes required prep time regardless of route length.
- J. Drivers shall be paid their regular hourly rate for time worked as a substitute on those runs/routes which are in addition to their regularly scheduled runs.
- K. When an Employee is scheduled to drive the vocational education or consortium route to another School District and the other District is not in session, the driver shall be available to drive in Fowlerville Schools as a substitute without additional pay as long as the compensation does not have a negative wage cost to the driver.
- L. Meal Rate: Employees will be reimbursed for meals on a trip upon presentation of a paid receipt at a maximum of \$15.00 per meal with a minimum of 4.5 hours between meals. The paid receipt must only include items for meal reimbursement and have been made during the trip or in the 24 hours prior to the trip.

ARTICLE XII EMPLOYEE INSURANCE FRINGE BENEFITS

TRANSPORTATION:

The Board will participate in the Livingston County Health Care Consortium. During the time the District is part of the Consortium, both the District and the Association agree not to negotiate any changes to the insurance plans and benefits provided through the Consortium. This agreement fulfills their shared duty to negotiate over insurance benefits and coverage, and neither side will bargain over these matters while the current plans are in effect under the Consortium contract.

However, this agreement does not change the District's and the Association's right to negotiate how insurance premiums are shared between the District and employees. This negotiation must still follow the limits set by the Publicly Funded Health Insurance Contribution Act. The Consortium agreement does not remove the District's legal duty to follow state and federal laws about how much it can pay toward medical benefits.

The District will contribute the below amounts toward medical insurance for full-time drivers enrolled in the District's plan. Employees must pay any costs above that limit.

2026 \$620 Monthly

2027 \$640 Monthly

Section 1: PAK A

PAK A health coverage will follow the plan details provided by the Consortium for employee and dependents.

Section 2: PAK B (for Employees Not Electing Health Insurance)

- The Board will provide PAK B coverage for full-time employees and their dependents.
- PAK A and PAK B include the following Ancillary plans: Dental, Vision, Life Insurance, AD&D, LTD (District provided-single, two-person and full family).

Employees who choose not to take the District's health insurance may receive a \$300/month medical opt-out payment.

- To get this payment, employees must:
 1. Submit a written opt-out form provided by the District.
 2. Show proof of other health insurance that meets Affordable Care Act requirements.

The opt-out deadline will match the open enrollment deadline.

ARTICLE XIII

The verification will be at District expense to the extent not covered by insurance and the Employee was not otherwise going to the doctor.
5. Paid sick leave time for transportation Employees will be computed and charged on a per run basis. Transportation Employees who are docked for unpaid work time will be computed and charged on an hourly basis.

B. Purchase of Sick Days:

Association employees who have accumulated ninety (90) or more sick days on April 1 may sell back to the district ten (10) sick days at the rate of \$40 per day. The days sold back will be subtracted from the employees' total days. The employee will complete necessary paperwork and submit it to the Human Resource Director in the Central Office by May 1st. Sick day compensation will be paid with longevity in the first regular pay of June of the same fiscal year.

C. PERSONAL BUSINESS:

Personal business is an activity of a nature that requires the Employee's presence during the school day and cannot be attended to at another time or day. Requests for personal business leave shall, when possible, be requested in writing five (5) school days in advance. An Employee who is planning to use a personal business leave day on the day prior to a regularly scheduled holiday or on the day immediately following a regularly scheduled holiday must have prior written approval from the Transportation Director. Unused personal business days will be accumulated as sick days at the end of each school year. The Employer shall approve/ disapprove within forty-eight (48) hours of request.

1. All Employees: Two (2) personal business days shall be available each school year (July 1 to June 30). D. Earned Sick Time Act (ESTA) Compliance

Effective February 21, 2025, the Michigan Earned Sick Time Act (ESTA) replaces the Paid Medical Leave Act (PMLA). The Act mandates paid sick leave for eligible employees under specific conditions. The district affirms that its current paid sick leave provisions meet or exceed all ESTA earning requirements. The district furthermore affirms the compliance with the utilization of ESTA requirements.

D. BEREAVEMENT LEAVES:

Up to five (5) days of absence with pay will be granted to Employees for the death of an Employee's spouse or domestic partner, siblings, parents, step parents, mother or father-in-law, guardians, child, step child or ward. Two(2) days per year may be used for the death of an Employee's grandparents, grandchild, brother or sister-in-law, niece, nephew, aunt or uncle. If, unfortunately, there is more than one death that applies to this paragraph, an additional day will be granted. The District will consider extenuating circumstances, if more than two (2) days is needed for an above person. The Employee can request the Superintendent or his/her designee to consider additional days. One (1) of the five (5) days may be set apart to deal with matters related to the death which cannot be dealt with at another time.

E. Emergency situations may be handled at the discretion of the Administration.

F. Association Days: The District would grant a total of two (2) Association days to use each school year for Association business. The days will be granted if substitute drivers are available for their regular daytime runs. Under MCL 38.1371(6) of the Michigan Public School Employees Retirement Act (MPERS), school districts can continue making retirement contributions for employees during "released time," which is when employees are not performing their regular duties but are still officially employed. However, the district must be reimbursed for these contributions by either the employee or the employee's union on a current basis. Additional guidance can be found in ORS Bulletin No. 315045 (July 22, 2015) and the ORS Reporting Instruction Manual 3.02.05 (July 6, 2016).

Any leave taken under this Contract for the above purposes shall be charged against the Employee's leave entitlement under the FMLA at the election of either the Board or the Employee. Other conditions of the FMLA shall apply to leaves in this Section. This shall not preclude the Employee from using any benefits provided which are greater than the FMLA. Any health condition not covered above shall be discussed between the Employer and the Employee in order to permit the Employee to be away from his/her job.

- B. Maternity Leave: Maternity/childcare leaves will be granted upon written request for a period of up to one (1) calendar year. Before the leave time expires, the Employee shall notify the Employer in writing of readiness to return. In the event the Employee fails to indicate readiness to return to work upon the expiration of said leave, she shall be terminated and forfeit any further rights she may have under this Agreement or individual employment contract. During the said twelve (12) month period, the Board may request medical recertification of inability to perform normal duties. Such leave may be renewable annually upon the request of the Employee.

In addition, the District shall reimburse any deductible charged by the Employee's personal automobile insurance company, as long as he/she is not cited for a traffic violation as the result of an accident which occurs while using her/his vehicle for job-related activities. This is not intended to apply to travel going to or from conferences, meetings, or in-service activities.
- E. The manner in which Retirement Time is computed to determine a credit year is six (6) hours per day times one hundred seventy (170) days equals one credit year. When working less than six (6) hours, the time worked for the year is totaled and divided by one hundred seventy (170) days. This amount equals a prorated work year. The determination is completed by the office personnel of the State Retirement Board.
- F. The Board and drivers shall work cooperatively to maintain safe and secure conditions while students are on the bus.
- G. Workshops/In-Service: The Employees shall attend additional staff development workshops beyond the scheduled annual workday requirements of their employer's choosing for additional pay. The arbitrator shall have no authority to change, alter, modify or add to the terms and provisions of this Agreement. Both parties agree to be bound by the award of the arbitrator to the extent the award was within the scope of his/her authority.
- B. Failure to appeal a decision at any level within the specified time limits shall be deemed an acceptance of the decision at that level.
- C. The Grievant/Association will have the right to withdraw a grievance at any level without prejudice to the Association or other members.
- D. A grievance may not be processed past Step 3 without the approval and endorsement of the Association.
- E. The time limits provided in this Article shall be strictly observed, but may be extended by written Agreement of the parties. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship of any party, the Board shall use its best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible.
- F. Notwithstanding the expiration of this Agreement, any claim or grievance arising thereunder may be processed through the grievance procedure until resolution.
- G. The Association will have on file, in the office of the Superintendent, the names of the Association representative in each building.
