Getting Started

Using Aesop Successfully

Note: This guide covers most of the functions that are available to employees in Aesop. These functions are permission based. If you see something in this guide that you are not able to do, your district may not have given you permission to access this function.

Create absences online or on the phone

Aesop offers both phone and Web services, so that you can create an absence anytime, anywhere. Online absences can be created as far as one year in advance. As soon as you register an absence, Aesop starts finding a qualified, available substitute for you.

Manage your schedule

With Aesop you can track how many absences you have taken and see absences you have already scheduled in the future. You can also track the types of absences you have on record, such as personal or professional development day. Aesop offers an easy way to store all your absence information in one place.

Leave notes and attachments for the substitute

By writing notes or attaching documents to your absence, you can assure that your substitute is prepared to handle your duties during your absence. Aesop lets both the district and the employee leave notes, as well as attach Word documents and PDF's to the absence.

Log on to Aesop

The first step to log on to Aesop is to visit the Aesop website. Put www.FrontlineK12.com/Aesop into your internet browser's address bar and hit the Enter button on your keyboard.

Employee Web Guide

This will take you to the Aesop website. At the top right corner of this page you will see the area to login. Use the ID (most likely your 10-digit phone number) and PIN provided to you by your district. Once you have entered this info into the boxes click the **Login** button.

If you are new to Aesop your district may have provided you with a **Welcome Letter**. Your ID and PIN will be in this letter.

What if I forgot my PIN?

You can click the "Forgot your login?" button just to the right of the login boxes.

ID	PIN	LOGIN	Forgot your login?
----	-----	-------	--------------------

This will open a new page. On this page you can have a PIN reminder sent to your email address or view a document on common login issues.

Home Page

Web Alerts

Before you are taken to your home page you may first get a pop-up of your Web Alerts. Web Alerts are alerts that have been created by your district for employees to see. They can contain important general information that may be useful to you. Once you have read the alerts you can click the **Dismiss** button to move on. These web alerts can be revisited at any time from the Top Bar.

Once you have dismissed your Web Alerts you will be able to view your home page.

The screenshot shows the Aesop web application interface. On the left, four callout boxes with arrows point to specific parts of the page:

- Top Bar:** Points to the black header bar at the top containing the user's name, notification count, and login/logout options.
- Main Tabs:** Points to the horizontal menu below the header with options: Absence, Feedback, Account, Directory, Time Entry, and Help.
- Calendar:** Points to the calendar view showing months (December, January, February) and dates.
- Absence Tabs:** Points to the 'Create Absence' section, which includes sub-tabs for Scheduled Absences, Past Absences, and Denied Absences.

The 'Create Absence' section contains a date picker, a calendar, and various input fields for creating an absence request.

Top Bar

At the very top of your home page you will see a black bar with three different buttons you can click on.

Your Name - Clicking on your name will take you to your Account tab where you can change things like your personal info, PIN, and your preference list. These items will be covered in more detail later in this guide.

Notifications - Click here to view the Web Alerts your district has sent you.

Logout - Click the Logout option to log out of Aesop and be taken back to the login page.

Main Tabs

Employee Web Guide

The Main Tabs will help you navigate quickly to the different areas of your Employee website.

Home Tab - The tab with the blue house icon is your Home Tab. You can click this tab from anywhere in the website to be taken back to the home page.

Absence - The Absence Tab will take you to the absence creation page.

Feedback - Clicking the Feedback Tab will take you to the feedback section of the site where you can leave feedback for absences that ended in the past 14 days. You can also view past feedback that you left or was left for you.

Account - The Account Tab will take you to where you can change your personal info, change your PIN, edit your preferred subs, and view your absence reason balances.

Directory - Under the Directory Tab you can view substitute phone numbers as well as a list of people who approve your absences.

Time Entry - If your district uses the Frontline product Veritime, you will be able to access it under the Time Entry tab.

Help - The Help Tab will bring you to a page where you can access user guides and training videos.

Calendar

Just below the main tabs is your calendar. The calendar is color coded to show the different types of days.

You can move forward and backward in time on the calendar by using the arrows indicated below.

Clicking on an individual day in the calendar will pop up information about that day. If it is an absence day you will have options (depending on your permission setup) in the pop-up to cancel the absence, view more details, or view attached documents.

Absence Tabs

In the Absence Tabs you can create new absences as well as view upcoming, past, and denied absences. Clicking these tabs will not take you away from the Home Page but will change what you are viewing on the Home Page.

Create Absence - Here you can create a basic absence right from the Home Page.

Employee Web Guide

Scheduled Absences - Under this tab you can view a list of upcoming absences that you have already scheduled. Depending on your permissions you may also be able to cancel an absence from here.

Past Absences - Under this tab you can view your past absences for the past 30 days.

Denied Absences - Under this tab you can view any absence requests that were denied by your approver.

Absence Creation

Note: Absence creation may look slightly different on your website depending on your district's settings.

There are many things you can do and see on your Aesop website, but as an employee one of the most important things is the ability to create an absence. We have made it easy for you to do this right from your Home Page.

Basic Absence Creation

To start the absence creation process scroll down to the Create Absence tab on the Home Page.

The screenshot shows the 'Create Absence' form on the Aesop website. The form is divided into several sections:

- Navigation Tabs:** 'Create Absence' (active), 'Scheduled Absences', 'Past Absences', and 'Denied Absences'.
- Date Selection:** A calendar for January 2013. The date '17' is selected. Below the calendar is a 'Please select a date' label.
- Substitute Required:** A dropdown menu with 'Yes' selected.
- Absence Reason:** A dropdown menu with 'Select One'.
- Time:** A section for selecting a time range. 'Full Day' is selected. Below it, a time range is shown: '08:00 AM' to '02:00 PM'.
- Notes to Administrator:** A text area for notes to the administrator.
- Notes to Substitute:** A text area for notes to the substitute.
- Related Files:** A section for uploading files. A 'Choose File' button is visible, along with a 'No file chosen' message.
- Buttons:** 'Cancel' and 'Create Absence' buttons are at the bottom right.

Most absence scenarios can be created right here from the home page.

Choose the Date/Dates

Employee Web Guide

When selecting your absence date simply click on the single day and it will be highlighted in blue.

You can also click on multiple days to create a multi-day absence. The days do not have to be consecutive.

Helpful Hint:

You can select multiple days individually or click-and-drag to select a range of dates.

The next step is to fill in some details.

Objectives

There are a couple of optional things you can do as well before saving the absence.

Notes - You have the ability to leave notes for your administrator and for the sub who will be filling in for you. The notes you leave for the administrator **will not** be visible by the sub. The notes you leave for the sub **will** be visible to the administrator.

Attach a File - Aesop gives you the ability to attach files to your absence for your substitute to see. You can attach Word, Excel, and PDF files.

To attach a file click the **Choose File** button and browse your computer for the file you want to attach. If you are using a web browser like Chrome or Safari you may also be able to just drag the file right into the drop area you see in the picture above.

Once you have added a file you will see the name of the file in the File Attachments area. To delete the file use the trash can icon.

Saving the Absence

Once you have filled in all the required fields click the **Create Absence** button at the bottom right corner.

The screenshot shows a web form titled "CREATE AN ABSENCE" with a sub-header "FILES HERE". The form includes a date and time selector set to "Full Day" from "06:00" to "03:30 PM". A "Notes to Substitute" section contains the text "Please don't forget to feed the hamster". A file upload section shows a file named "Lesson Plans.docx" with a "Choose File" button and a "No file chosen" status. Below this is a "Related Files" section with a large downward arrow. At the bottom, there are "Cancel" and "Create Absence" buttons.

Once the absence is saved you will see a message at the top of your screen which will include the confirmation number. The absence will also show up under the Scheduled Absences tab.

Advanced Mode

There may be times when you need to create an absence that is a little more complicated. For example, you need to use a personal day for day 1 of the absence but an illness day for day 2 of the absence. For situations like this you can use the **Advanced Mode** of absence creation.

To access the Advanced Mode you can click the Absence Tab in the Main Tabs...

...or you can click the Advanced Mode button found under the Create Absence tab. Both take you to the same place.

Advanced mode is basically the same as the normal absence creation except for one major difference, and that is the ability to add Variations. What is a Variation? Well, let's walk through it.

Let's say you are creating an absence like the one we described above, a different absence reason on each of two days. While in Advanced Mode, fill out the top section like you were creating an absence just for the first day.

Once you have done that click the button **+ Add New Variation**.

Assign a Sub During Absence Creation

At the end of the absence creation process you will be given the option to go ahead and assign a sub (see above image).

Important:
It is your Responsibility to communicate with the substitute of your choice to ensure that they are willing to accept the assignment before you assign them. Aesop will not notify substitute automatically.

When you click the **Create & Assign Sub** button a window will open which will allow you to choose the sub to assign. Use the search box to search for subs that are qualified and available to fill your absence. Once you start typing in a last name into the search box, matches will drop down below the box.

Managing Absences

Once you have created absences in Aesop you will be able to view them and even modify them when needed.

Scheduled Absences

Any upcoming absences that you have created in Aesop can be found under the Scheduled Absences tab on your home page. The number on the tab indicates how many absences you have scheduled.

This will bring up a confirmation pop-up. Confirm the cancellation by clicking the green **Yes** button.

When you cancel an absence Aesop will notify your administrator as well as the sub in the job if a sub had already been assigned.

Order: _____ Substitute: _____

You can continue to add as many subs as you would like to your list this way. You probably don't want to add every sub in the district though because this would defeat the purpose of picking the ones you prefer. We recommend not picking many more than five.

Don't forget to click the **Save Changes** button any time you want to save the changes you made to your preferred list.

Favorite Five

Once you have added a number of subs to your preference list you can select up to five of them to be your **Favorite Five**. The Favorite Five will get even more of an advantage when attempting to fill your absences. Substitutes that are marked as favorites, and who are considered "qualified and available" at the time the absence is created, will be notified instantly by email when you create an absence that needs a sub. Also, Aesop will begin calling the Favorite Five subs during the next evening calling period up to 120 nights before the absence.

To mark someone as a favorite, simply click the heart icon on their row in the preferred list. If the heart turns red you know you did it correctly.

Once you have marked your favorites you can order them by using the up and down arrows on the left. You can also drag them up or down in the order by clicking the drag icon and dragging them into the position you want them. Ordering your Favorite Five will determine in what order Aesop will attempt to contact them when making calls.

Excluded Substitutes List

Another option you may have is to create a list of substitutes that you never want filling your absences. Go to the **Excluded Substitutes** option under the **Account** tab.

To add a substitute to your list start typing in their last name into the search box. You will need to type a minimum of two letters for the search to start showing results.

Used - The number of days or hours you have used so far.

Pending - The number of days or hours that you have scheduled for upcoming absences.

Balance - This is your current absence reason balance. You can also see your "Days/Hours after Pending" balance which calculates in your pending time.

Feedback

Many districts use Aesop to help collect data about the substitute's job performance. If your district has opted to use this feedback feature, you will see a Feedback tab at the top of your home page.

Leaving Feedback

Click on the Feedback tab to be taken to a list of all of the absences from the past 14 days that you can leave feedback on. To leave you feedback regarding the substitute click on the **Leave Feedback** button for the individual absence.

Employee Web Guide

This will take you to a page where you can answer questions about how the substitute did. The first thing you will want to do is choose an overall rating. This is a 1 to 5 star rating with 1 star meaning their performance was "poor" and 5 stars meaning it was "outstanding". Hover over and click on the number of stars you would like to give.

Itinerant Employees

If you are an employee that works at multiple buildings within your district the absence creation process will look a little bit different for you. Aesop will take you through a 4 step process to help you create your absence.

To start the process click the **Create Absence** tab on your home page.

The screenshot shows the Aesop system home page with a navigation bar at the top containing links for **Absence**, **Feedback**, **Account**, **Directory**, and **Veritime**. Below the navigation bar are three calendar views for February 2013, March 2013, and April 2013. The February 2013 calendar is the active view, showing dates from 1 to 28. A red box highlights the date 27. Below the calendars, there are four buttons: **Absences**, **Closed Day**, **In-Service Day**, and **Closed And In-Service Day**. A red arrow points from the **Create Absence** button to the **Absences** button. Below these buttons is a row of four tabs: **Create Absence**, **Scheduled Absences**, and **Past Absences**. The **Create Absence** tab is selected. Below the tabs is a row of four buttons: **1. Absence Dates**, **2. Location(s) & Times**, **3. Additional Details**, and **4. Absence Review**.

Step 1 - Absence Dates

In the first step you will select the date or the date range of the absence. You will also select the Absence Reason. You may also have to select if a substitute is needed or not if your district requires that.

To select a date just click it in the calendar and it will turn blue. You can click multiple dates if needed.

Please select the date you will be absent.

You will also see the day of the week highlighted. If you will be absent more than one day you will see multiple days highlighted. To create your absence for the same times across all days, leave them all highlighted. If your times will be different on different days, deselect the days that will be different by clicking on them. You will be able to add them in a later step.
