

Fowlerville High School National Honor Society

Membership/Activity Application Form

Name_____ Current Grade_____ Date _____

The National Honor Society works hard to bring the accomplishments of outstanding students to the attention of parents, teachers, and the community. Membership in this prestigious organization is one the highest honors that can be bestowed upon our students. NHS recognizes outstanding scholarship and citizenship. This mix of characteristics is one to be encouraged and cultivated. Membership in NHS facilitates continued growth in these important areas.

Selection for NHS membership is based on several factors. An overall grade point average of 3.3 or above is required and 10 hours of community service completed in high school in different areas. A student's ability to demonstrate outstanding personality traits in the form of leadership, service, and character is also necessary for inclusion in NHS. NHS seeks to identify and train the leaders of tomorrow. Future success necessitates early cultivation of the entire individual.

Participation in NHS requires that students continue to demonstrate the qualities that resulted in their selection. Membership responsibilities continue after selection with required community service projects and a need for further evidence of scholarship and character. These requirements are guided and supported by group members and sponsors. Together members garner the respect and recognition worthy of such an illustrious organization.

Enclosed is a membership information form. If you are interested in participating in the NHS selection process, please complete this form and return it to Mrs. Hardenbrook with three completed teacher/coach/advisor recommendation forms no later than Monday, **May 3rd, 2021, at 2:30 PM.** Forms not in the possession of Mrs. Hardenbrook by the due date, will NOT be accepted. Further questions may be directed to Mrs. Hardenbrook. Office hours are before school from 7:20-7:30 and after school from 2:15-2:45.
