

ADVANCED DRIVER TRAINING FOR TEENS

SATURDAY, SEPTEMBER 24, 8:00AM – 5:00PM AT THE FPG

FT Techno of America is again opening our 950-acre proving ground for a one-of-a-kind, **free of charge**, teen driver training experience. This hands-on event goes well beyond traditional driver training and has transformed hundreds of local teen drivers. Attendance is limited to the first 30 participants, so register without delay!

DISCOVER THE LIMITS...

Improve confidence and learn how to take control in real-world, challenging driving scenarios on our 20 acre dynamics pad. Safely spin out on ice and snow using our low friction tile test track.

ONE-OF-A-KIND...

Unique program provides one-on-one instruction with expert drivers on the same tracks used to develop future vehicles and technologies. Become a better, safer driver in just one day.

HANDS-ON...

Personalized training in your own vehicle, including:

- Accident avoidance maneuvers, skid control, over-steer, and under-steer
- Smooth and controlled steering, braking, and acceleration
- Handling on ice and snow and dealing with loss of control
- Vehicle dynamics, weight transfer, tire contact patch, and long distance vision
- A mix of classroom and track time

REGISTER ON-LINE AT: [HTTP://MSREG.COM/FOWLERVILLE22](http://msreg.com/fowlerville22)

(Important: Type the above web address directly into your browsers address bar. Do not use Google or links from other sites.)

Important participation notes and requirements:

- Students must be in high school, age 15 or higher, and already hold a permit or license.
- Participants provide their own vehicles (see special requirements at time of registration).
- Parents are welcome to join and stay all day. Track-side tent, lunch, and refreshments provided.
- Due to the highly personal level of instruction provided, participation is limited to the first 30 applicants.
- Additional details will be provided to registered participants prior to the event.
- This event is a partnership between FT Techno of America (FTTA) and the Tire Rack Street Survival School (TRSS) using a modified course curriculum including FTTA's specialized ice and snow tracks. TRSS is a national safe driving initiative offering courses around the country for \$95 per student. There are no fees for this event and no charge to participants. Do not attempt to register on the public TRSS website.
- For additional information, contact Mike Benjamin via email at mbenjamin@ftt-a.com
