****The deposit will be returned AFTER you complete the test-out. If you do not complete the test-out your \$50 will be forfeited. Cash or checks to FCS will be accepted****

Please familiarize yourself with the information below:

Public Act 335, 1279B of the State School Code requires the opportunity for any high school student to "test out of any course".

To test out, a student will need to exhibit mastery of the subject matter by attaining a grade of not less than a C+ (77%) on a final examination. The student may also be required to demonstrate mastery through authentic assessment devices used in the course, such as a portfolio, performance paper, project, or presentation. *It is important to note that by successfully testing out of a course, a student will miss participation in class discussions, laboratory activities, and opportunities to develop higher-level thinking skills that are nurtured by daily contact with the instructor.*

Credit achieved will be counted towards fulfillment of a pre-requisite within a subject area and course sequence. It will also fulfill a credit requirement toward the 22 credits needed to graduate from Fowlerville High School. For example, testing out of a math course will enable a student to take the next course in the math sequence as well as satisfy one of the four credits required for graduation. **A student must successfully test out of both semesters to test out of the course if the course is a year-long course and move forward in your course sequences.**

No refund will be given to students who sign up but do not complete the required work & test(s).

- Students enter Door #9 by the Media Center
- All required work and projects are due at the time of the exam.
- Students MUST take the exam during the summer school time period either Session A (July 24 - 25) or Session B (Aug 5 - Aug 6)
- Testing out is available from 9:00 am - 12:00 pm
- You must begin testing no later than 10:00 am
- Exams CANNOT be taken outside of the designated dates and hours
- Exams are graded in mid-August and students will find out the results via school email
