

Dear Students and Families,

Welcome to the 2025–26 school year with the **Fowlerville Online Learning Academy (FOLA)**! We're excited to partner with you for a successful year of learning.

FOLA provides students in **elementary, junior high, and high school** with the flexibility of online learning while maintaining the support of **certified teachers and a local mentor**. High school students have access to a number of different programs, designed to support individual learning needs. All students will also have access to a **staffed support lab while school is in session**, ensuring help is always available when needed.

**Open Lab Hours:**

Monday - Thursday 8:30am to 3:00pm

Mentor Contacts:

Mr. Kitchen: [kitchenl@fowlervilleschools.org](mailto:kitchenl@fowlervilleschools.org)

TC Mrs. Milam: [milamt@fowlervilleschools.org](mailto:milamt@fowlervilleschools.org)

Mentors will be reaching out soon to review schedules and confirm coursework. If you haven't registered yet, **it's not too late**—students can still enroll in the program.

To participate in FOLA, students must be enrolled in **Fowlerville Community Schools**. If you have any questions about enrollment, coursework, or program details, please don't hesitate to contact me directly at 517-223-6040 or [zajasn@fowlervilleschools.org](mailto:zajasn@fowlervilleschools.org).

We look forward to an engaging and successful school year!
